The CDP Southern Europe Team together with PwC and Euronatura are pleased to invite you to CDP's annual Spring Workshop 2015.

Join renowned representatives from the largest listed companies as well as selected suppliers in Portugal to discuss the latest **trends regarding Climate and Natural Capital protection**, e.g. in relation to COP 21 in Paris, to understand and move one step further towards natural capital leadership.

HIGHLIGHTS:

- ▼ **What is new? Scoring and questionnaire updates**
- ▼ **Road to Paris: COP 21 in Paris and how your company can get involved**
- ▼ **What the expansion of the CDP Water and Forest samples means for you**
- ▼ **Discuss with our technical experts on all CDP scoring related questions and learn more about science based emissions targets.**

Registration now open [here](#).

We look forward to seeing you!
